From Shahed

"We've been living in a property managed by EchoRealty for over two years, and throughout this time, we've received excellent support. Reece and Natasha have been incredibly responsive and helpful. This is my third rental in Australia, and both the property and the team at EchoRealty have made it my best experience so far."

From Karen

"Thank you so much to Carol and Corey— I truly appreciate everything you've done! Your constant support and the way you go above and beyond for your tenants means the world. My experience with this real estate has been nothing short of amazing, and I'm so thankful to deal with people who genuinely care."

From Filitalika

"EchoRealty was such an easy agent to work with during my short rental time. Big thank you to my property manager Crystal for her quick response to any issues or questions I had. Appreciate the time I had with this company and would do it all over again if I could. Thank you!"

EchoRealty welcomes tenants to new affordable homes in the heart of Liverpool

EchoRealty is proud to be managing 43 brand-new affordable housing apartments in central Liverpool, designed for individuals and families on low-to-moderate incomes.

The vibrant, five-storey mixed-use development—delivered in partnership with BlueCHP—features 63 modern apartments, including 15 social housing units and 43 affordable housing units. A further five of the apartments have been purpose-built to accommodate residents with limited mobility. Construction began in 2022 and was completed in March 2025.

As the largest affordable housing provider in NSW, EchoRealty is managing the affordable units at up to 25% below market rent, helping to ease cost-of-living pressures for tenants.

Located within walking distance of the Liverpool to Parramatta Transitway, the development offers easy access to essential services, including schools, hospitals, shops, and restaurants.

A few tenants shared their experience with EchoRealty and being able to live in a brand-new home.

“The Team at Echo were really helpful from start to finish in helping us get our own apartment,” one tenant said.

“Good experience to be here [in Liverpool]. My wife is very happy with the place,” another said.

EchoRealty is committed to supporting communities through secure, affordable, and well-located housing options across NSW, ACT and Victoria.

Getting to know EchoRealty

#MEETECHO gives you, our resident, a better insight into who we are as your support team. In this edition, we chat with Property Manager Associate Corey McDonald, who brings energy, dedication, and a passion for helping people find a home.

Q: How long have you been with EchoRealty?

A: I started at EchoRealty in July 2021—the day after my 21st birthday—and I haven't looked back since!

Q: What were you doing before joining EchoRealty?

A: Before this role, I was working as a labourer in a steel factory. I eventually became 2IC there, but I was looking for a new challenge and a chance to grow my career.

Q: What inspired you to work in real estate?

A: I've always wanted to work in real estate and help people find a place they can call home. EchoRealty has given me so many opportunities to expand my skills, which has really supported my growth in this role.

Q: What does a typical day look like for you?

A: As a Property Manager Associate, I manage the needs of tenants, landlords, and their properties. No two days are the same—between meetings, fieldwork, and in-house tasks, there's always something new and interesting to deal with.

Q: What is your favourite thing about working for EchoRealty?

A: What I love most about EchoRealty is the genuinely supportive and welcoming team environment. It's a refreshing change from previous workplaces, with everyone working together and offering consistent encouragement to help you excel and exceed expectations.

Q: What inspires you?

A: I'm inspired by seeing others succeed. When I see people hitting their goals, it motivates me to go further and achieve my own.

Mould prevention this winter

Winter has well and truly arrived - and with the drop in temperatures comes an increase in condensation from heaters, cold surfaces and rainy days. If left unchecked, this can lead to mould, a type of fungus that spreads through airborne spores and thrives on damp surfaces.

Tips to improve ventilation:

Open windows and doors

Open windows and doors whenever the weather allows to create cross-breezes and let fresh air in.

Clean exhaust fans

Keep vents and exhaust fans clean—dust and fluff can block airflow.

Clear out condensation

On chilly mornings, open up once it warms to help clear out overnight condensation.

Use exhaust fans

Always switch on exhaust fans when cooking, showering, or doing laundry to help remove excess moisture.

Simple habits to prevent mould:

Air circulation

Let air circulate through your home—especially in the bathroom during cold weather.

Food storage

Remove fruit and veggies from plastic bags and place them in sealed containers of the fridge to reduce excess moisture.

Keep surfaces dry

Wipe down wet surfaces in bathrooms and kitchens, and keep doors open to help them dry faster.

Regular clean

Regularly clean evaporation trays in air conditioners, dehumidifiers and fridges.

Let the sun in

Natural light helps dry damp areas and slows mould growth.

Remove mould spores

Vacuum carpets and rugs often using a High Efficiency Particulate Air (HEPA) filter vacuum to help trap mould spores.

Air them out

Dry clothes and shoes thoroughly before putting them away and leave wardrobe doors open now and then to air them out.

Community Event

During the Easter holidays, EchoRealty hosted a community event at Harts Landing, Penrith bringing residents together for a day of excitement and connection.

We welcomed 21 residents who joined us for some fun Easter crafts and an egg hunt for the kids. It was a wonderful opportunity to get creative, enjoy the sunshine, and share some laughs.

Our residents enjoyed tea, coffee, biscuits, and a delicious pizza lunch, making it a relaxed and enjoyable afternoon for all.

We loved seeing a few tenants exchange details to organise future play dates.

We look forward to more events like this in the future!
